Re: Implementation of the Pay Telephone Reclassification and Compensation  
Provisions of the Telecommunications Act of 1996,  
CC Docket No. 96-128, File No. NSD-L-99-34

Dear Ms. Roman Salas:

On November 9, Lyle Ryter of I-PCA, I-PCA's attorneys Stephanie Joyce and Glenn Manishin of Kelley Drye & Warren, LLP, and I met with Commissioner Martin and Samuel Feder to discuss issues raised by the interexchange carrier ("IXC") Petitions for Reconsideration/Clarification submitted in the above proceeding.

At the meeting we discussed the effects that a grant of the IXC petitions would have on the dial-around and prepaid telecommunications industry. We also discussed the need for the Commission to act expeditiously, given IXC plans to implement the proposals discussed in their Petitions on or about November 23, 2001 even if the Commission has not yet ruled on the substance of the Petitions by that date.

In accordance with Section 1.1206(b)(2) of the Commission's Rules, an original and one copy of this letter are being filed with your office for inclusion in the public record for the above proceeding, and a copy of this letter is also being provided to the parties with whom we met.

If you have any questions regarding this notice, please contact me.

Sincerely,

s/s
